Hi [REDACTED]

I mentioned at the last visit that there will be a change in inspector. As such, I'd like to arrange an initial familiarisation visit my colleague, [REDACTED], who will be taking over inspection duties. We anticipate that this will be a phased handover and as such I will attend some of the site audits/visits during this year. In the meantime, could you include [REDACTED] on all comms.

Would you be able to accommodate a visit on either of May 12, 13, 19 or 21.

Kind Regards

[REDACTED]
