Hi [REDACTED]

Just to chase up the requested docs from my last visit. Could you and/or [REDACTED] send through the following;

- Review of works completed and planned as part of the CO reduction review
- Confirmation on where the AD laptop is situated.
- Draft SOP for breach escalation
- Loss of CEM slides
- QAL3 procedure

Thanks again

Hi [REDACTED]

This looks correct. When submitting the application, and after the admin checks, the assigned permitting officer will double check and contact you if they feel further funds are needed although I don't think that will happen in this case

You don't often get email from [REDACTED]. [Learn why this is important](#)

Hi [REDACTED],

Please can you confirm what the correct costing is for our Permit Variation application relating to the CO change? Is it £5803.46 found on page 58, ref 1.6.1?

Thanks,

[REDACTED]
