Thanks [REDACTED]. Regarding point 1, apologies, the investigation has been completed. I thought I had already submitted the Part B.

It was an oversight on my part. It was only my second week at Thalia and I was clearly dealing with information overload at the time.

You can expect the Part B before the end of today.

See you tomorrow.

Thanks,

Subject: EA Visit - Agenda

Hi [REDACTED]

As tomorrow is primarily as an intro to John and a familiarisation I propose the following;

1. Discussion on loss of VOC data 31 March – causes.
2. Discussion on Action deadline 30 June to address loss of CEM data
3. Discuss abnormal operation/invalid data and foreseeable losses of CEM data
4. Discussion on level sensor mods within AD gas holder

Site Tour – Overview of AD/MT, EFW including CEM location, control room, ash handling areas

Look forward to seeing you again tomorrow

Regards
